MEMORY VERSE

Join the children of *The Table* in learning a verse of Scripture each month. The verse for August is: *"The Lord gives strength to His people; the Lord blesses His people with peace."*

Psalm 29:11

FAMILY MINISTRY

All ages are invited to worship together! Nursery is available for ages 6 months-2 years throughout the service. There is a teaching time for children ages 3-7 years during the "sharing/teaching" portion of the service after the break.

SHARING STORIES

Do you have a story to share with the church body? We are eager to hear how God is working in your life—whether it's through the Word, living missionally, experiencing authentic community, or discovering your unique design. Let us encourage one another and spur each other on by sharing what God is up to. If you have a story to tell, please contact Mary Tinjum, mary@thetablepdx.com.

AUGUST 16

The weekend of the camping trip, August 14-16, there will be no services at the West and North Campuses. If you will not be able to come camping, we encourage you to join The Table family worshipping at Stafford on Sunday @ 9:00 am.

CRAFT NIGHT

If you like to knit, crochet, quilt, embroider, stamp, or enjoy any other craft, you are invited to join other crafters every Thursday from 6:30—8:30 pm at Stafford. Whether you are an expert or a novice, you are welcome. Come join the fun!

BIBLE STORYING CLASS

Learn the art of Bible Storying. Develop one of the best tools for discipling new believers anywhere! According to J.O Terry in his book *A Bible Storying Model* – "Bible Storying is an intentional use of intact (uninterrupted) stories which are altered as little as possible to eliminate confusion and told in such a way as to preserve the emotion and drama of the original event as well as the story facts and spiritual truths. Stories are easier to remember by oral communicators who can then recall the stories and retell them to their people."

Ron Holcomb (Africa Inland Missions) will teach this class on Tuesday evenings, 6:30 - 8:00 pm, June 30 through July 28 at the Stafford campus. This isn't just for "missionaries", you can use these skills with your children, neighbors, and co-workers. This is a very natural way to share our faith and God's story.
