

## CORE VALUES | the essence of who we are as the Body of Christ

At The Table four leading values emerged from our understanding of the gospel. It is from these defining principles that we exist, rooting ourselves in one or all of these values. To illustrate the significance of these convictions, we asked our staff to share each week how one of these particular values is being played out in their area of ministry.

### Missional Journey

By Geoff Hartt, Missions Pastor

In Luke chapter 24 we have the story of two disciples of Jesus walking from Jerusalem to Emmaus. As they are walking to this village, just after the death of Jesus, He joins them on the road. At the time, they don't know who their companion is. In the course of their journey He opens the Scriptures for them and explains the whole deal. Over a meal we read, *"...their eyes were opened and they recognized him...."* That describes for me the setting for our "MISSIONAL JOURNEY."

Learning about God, His Son Jesus, and living through the Holy Spirit is really best experienced on the road, not in a classroom. Each week as we come together to worship, as we gather in Lifegroups, as we spend time reading His Word and listening to His voice, as we go on missions trips, we are on a journey. It is here He meets us and begins to reveal Himself to us.

I invite you to join us on a MISSIONAL JOURNEY. Let your whole life be part of this journey to live as Christ and share Him with others you meet on the road.
