

CORE VALUES | the essence of who we are as the Body of Christ

At The Table four leading values emerged from our understanding of the gospel. It is from these defining principles that we exist, rooting ourselves in one or all of these values. To illustrate the significance of these convictions, we asked our staff to share each week how one of these particular values is being played out in their area of ministry.

Truth & Meaning

To be transformed by the words of Jesus
To be formed into the image of Jesus

By Andrew Gorla, Stafford Pastoral Intern

Looking at this past season of my life, I have been reflecting on the areas of my life that I have grown the most. Inside of this process, I see clearly the impact that the Bible has had on my transformation. Through scripture Christ seems to mold and shape me into a person I could never be on my own. This process has been at times uncomfortable and the ride has been wild, but the outcome has been beautiful. What a good God we have that he molds and shapes us into something far more beautiful than we could ever come up with on our own. Through Gods truth and meaning, we are forever changed.
