

## CORE VALUES | the essence of who we are as the Body of Christ

At The Table four leading values emerged from our understanding of the gospel. It is from these defining principles that we exist, rooting ourselves in one or all of these values. To illustrate the significance of these convictions, we asked our staff to share each week how one of these particular values is being played out in their area of ministry.

### Worship & Beauty

By Geoff Taylor, Worship Pastor

What's up with the different groups of musicians every week?! Why are there so many people involved with the praise and worship ministry?

The Table is blessed to have a wide variety of people who are gifted in music and feel led to offer their gifts to God by ministering to us with their talent. We are dedicated to giving people the opportunity to live out our core value of WORSHIP and BEAUTY. We, the Table, believe that we were created to rule, and that every person is created to count. We value the unique and individual design and destiny God has for every person.

Most of the people you see ministering in our services either setting up the sanctuary, ushering, preaching, ministering in music, sound, AV and most recently in prayer ministry have expressed the call to that type of ministry. It is our joy to give them the opportunity to serve us in their gifting. Everyone has a gift for the good of the body, and it does not have to be in any of the above mentioned ministries.

Have you ever told anyone about your gift? Has anyone ever told you about your gift? I encourage everyone involved with The Table to not only discover God's unique gift given to you, but most importantly to share your gift with the rest of us. That is WORSHIP and BEAUTY.
